“ Dear family,

I didn't learn about Sybil's passing until last night. The last time I saw her was at Cave City for her's or M. M.'s 50th class reunion. I had accompanied my Aunt Neoma Burge Parker and we had a nice visit that day. You may have heard of me. I am Ernest Burge's daughter and I am the family tree nut. Actually, the last contact I had with any of your family is my daughter Martha Barrett got Charles' address for me on a paper napkin. I don't know if I followed through and wrote to you or not. I wanted to express my heart felt sympathy to all the family. I see Conway's wife quite often because her Mom is in the nursing home here at Cave City and so is my husband. Mr. Earl James has just came into the home and he is always saying he is kin to the Burges because of his Aunt Minnie James Burge. I told him this morning at breakfast that we lost a mutual relative. I pray God will shower you with His blessings and comfort. I am sorry I haven't kept in touch.

God bless you all. My love and sympathy, Anna Lee##imported-begin##Anna Lee Burge Carreiro##imported-end##
