“ *Syble was the most special lady and she holds such a special place in my heart forever. She was my "other Mother" and will always be. I will miss her forever! The memories in my heart will last forever, and I wish I could have been there with you at the last moments and to pay my respects. Mary Jo is like my sister and will always be. May you and the family find peace and comfort knowing she is in a better place where we will see her again someday.*

I love her deeply. May she rest in peace in the arms of Jesus. I will look forward to seeing her again in heaven someday. Sorry I couldn't be there, as you know. My prayer are with you all. Love you Mom and all the family, Reida##imported-begin##Reida Robinson##imported-end##
