“ Tammy has been one of my best friends for over 25 years. We shared many secrets, celebrations, hurts, joys and plans for the future. She & I had many things in common that helped us to understand each other. If anyone can talk Jesus into having a telephone installed it will be Tammy. I'm sharing a thing off Facebook that has always reminded me of my Friend.

“ To the Martin Family,
It is with great sadness to learn of Tammy's passing. Please accept my deepest condolences. Tammy and I worked together at the former CIBA Vision Corporation in the 1980s. Though many years have passed, my fondest memories of those days have not diminished. I'll always remember the fun and laughter we shared. She was a very sweet and charming young lady. May the love of family and friends provide comfort to you during this time of sorrow. May God bless you today, tomorrow and always. RIP Tammy.

“ From my earliest memories, you were there. We shared so many as children and adults. I'll miss your laugh and smile, the easy way we interacted, no pressure or stress, more like sisters than aunt and niece. I'll love you and miss you forever.

“ You were 6 years old when I met you, a friendly, inquisitive little girl with beautiful eyes, curly, curly hair and a constant smile. The last time I saw you, you greeted me with the same smile, with the same curly, curly hair, and beautiful eyes. Rest in peace, Tammy. Your trials of this earth are over.
