“ On behalf of Edge Business Systems, we wish to express our deepest sympathy to Michael and family and everyone at Arlington Industries. Tammy was "one of a kind" and my go-to person whenever our printer supply needs couldn't be met by other vendors. Her kind and caring personality were endearing and her reliability and dedication to customer service were honorable. Although we never had the chance to meet in person, I counted her as a work colleague and friend. My sincere condolences and prayers of peace and comfort to all who shared this life with her. She will be greatly missed!

“ It's truly been a blessing knowing Tammy over the years. She was my go to lady with abounding knowledge in her field of business of peripherals. We often had fun times chatting it up about this or that and enjoying each others personality, right before she took my order. Although we never met in person. She was always a joy in handling my business and to her her voice and know she was there to make sure she got me what my customer needed. My dear condolences go out to Tammy's family and friends. She will be dearly missed. Donald W. Hunnicutt, Lubbock, Texas.

“ I have known Tammy for nearly 50 years. She was my sister from another mother! We have been through almost everything together, she was my secret keeper, she helped sneak me into my house after our wild nights and was by my side during my mother's passing. I got to see her become a great mother. I have many stories of Tammy, that I keep close to my heart. We could go months without talking but would always pick up where we left off. I will miss my dear friend. I know that I will see her one day and until then, I know she will have the angels in Heaven laughing.

“ Tammy was a passionate mother, grandmother, co-worker, Vols fanatic and all around fantastic lady!! I have had the pleasure and honor of working with Tammy in many different capacities over 20 plus years at Arlington! She will be extremely missed, but all I need to do is remember one of the hundreds or thousands conversations about her grandchildren. That will put a smile on my face and a perfect memory of Tammy Pendergrass! Good Bless you Tammy!
