“ *I had the priviledge of meeting Ted while working in Dispatch for a time with the Walton County Sheriff. He was always such a gentlemen which is rare. He would talk with us and not to us. Ted will be missed terribly but to know he is not in pain is a blessing. My sympathies to his family.##imported-begin##Eileen A. Waring##imported-end##*

“ Ted ol' boy, you left before I could say goodbye. For that I owe you one. Your ceremony today was impressive, I think even you would have jerked a tear or two back. I'm sure that you were looking down smiling even though you wouldn't admit it. Station 4 will never be the same, now the map book gets used to get from point a to point b. We will all miss you buddy. Until we meet again.##imported-begin##Bryan Robertson##imported-end##
