“ Teresa and I were the "Bestest" of friends thru high school. We shared so many secrets and good times together. She was my maid of honor at my wedding. We went our separate ways then but had a long talk 15 years ago at Gwinnett Medical just before my husband died. I had tried to locate her on FB and just this week was googling trying to find some information on her to get back in contact and finish our "catching up" Bizarre that I received an email from another school friend letting me know of Teresa's death. Words can't describe how I feel, regret we didn't stay in contact, etc. I am so sorry for your loss "mama Haywood", Dee & Lynn (who I loved to make laugh with my silliness) You are all in my heart and prayers.

“ I am so sorry for your loss. I worked with Teresa at the original GMC back in the late 80's-early 90's on the step down intensive care unit. She was so very good at what she did and always was kind. May God surround you all with His loving arms as you grieve.
