“ *Dear Hunter Family, I am saddened to hear of Teresa's passing. I moved to GA in 7th grade and Teresa and I became friends. We played recreation basketball together and her Mom was our coach. We hung around during high school but lost touch after that, both of us going in different directions. Over the years, Teresa would call me out of the blue and we would catch up with each other. My heart goes out to her family and friends at this sad time.##imported-begin##Kathy Keefer Barker, CGHS Class of '79##imported-end##*
