“ Dear Family of Terry Ford, I have many memories of Terry, Strong willed man with a loving heart. He always talked about his sons, family & all the grand children were at the top of Terry's Heart. Terry & I shared alot of stories, I would deliver home made food the neighbors made for him. I always would find malted mints left in my truck becuse I never locked it. At Christmas time I always received a bucket of the mints. Whenever he was in a pinch he knew he could countl on me or Dan to help him out. Terry always appreicated everything we did for him. He loved dogs also he would set outside and watch our dog Yoshi play with toys. Terry would sneak her gram crackers and Yoshi would grab the cracker and run as fast as she could back home so we wouldn't find out. Yoshi made Terry laugh. We have so many Memories & Laughs & a few tears. God Bless You Terry & your your Loved ones who are left behind.

“ You know it's been said..." if your presence means nothing, then neither will your absence." Terry's life, for me, exemplifies that. He was a neighbor and a dear friend. I remember many times when he, his best buddy, Linda and myself would sit up at our clubhouse or simply hang out in the streets talking about the "PAIN" of the day. Terry, of course, was outnumbered by 2 women, so being a wise man, he usually just shook his head, laughed or made some funny remark....there were a few times, he ignored us!!! Loved that man from the 1st time I met him. He was "real" people and will forever have a special place in my heart. Terry, my friend, you will always be remembered for the special person your were. Enjoy singing with the angels and I'll see you again someday!
