“ *I first met Chief Pilcher while assisting Larry on the side of the road with a car fire. I had run into him on other occasions helping the volunteers until one day he said “come to a meeting and join up with us”. He was larger than life to me, he taught me so much and I am so thankful for his influence in my life. We went through so much together. He was my friend. Praying for you Shelia and family. He was a great father, grandfather, brother and a great American. Rest In Peace my friend.*

“ Sheila, my thoughts and prayers go out to you and your family! I have spent the past couple of days remembering and laughing about all the fun and crazy times that you, Terry, Angie, and I shared years back. Those were fun days and days that I have not forgotten and never will forget. I'm sorry that it has been quiet awhile since I have seen you guys, and I do regret not seeing Terry again before his passing. But do know that I have always thought of Terry as not only a good friend, but also a family man, a man of dignity, and a man who I always given the up most of respect to. I will always remember and cherish the friendship that Terry and I had. God Bless the Pilcher family!!

“ Terry was a fine man and a great leader of his department. I had an opportunity to interact many times during my days with Gwinnett Fire. Integrity, decency, honesty, always described Chief Pilcher in any circumstance.

I pray for his family, especially Seth whom I have also had the honor of knowing. God grant peace and comfort in these trying days.
