“ I knew Ted when he was a programmer at Robins AFB, Ga. I enjoyed his company and conversation with him. He was a kind and gentle man. A gentleman, if you will. He was a big man and I always marverled at his huge hands. I'm saddened to hear of his passing. My thoughts and prayers go out to his family. I lost a good friend. You lost a father and lovd one. May God bless and give you strength during these coming days. Franklin Cheek###imported-begin###Franklin Cheek###imported-end##

“ I knew Ted quite well growing up next door to the Bokina family. I always remember when Ted worked with his brother Henry during tobacco harvest, if Ted was below me in barn I did have to reach down much to pass tobacco plants. His basketball achievements at UMASS , and early pro career were remarkable. I also knew Henry and sister Helen, great family and all did great in their careers.##imported-begin##Bernie Goclowski##imported-end##
