Thanks Stephen was passionate for the Lord and would always share the Gospel or an uplifting testimony to glorify God wherever he went. He was a proud Eagle Scout Master where his unique leadership skills were developed. He was involved in the service of the Lord and did so for many years in several capacities at both Church On The Rock in Kingston, JA. & Tabernacle International Church in Lawrenceville, GA. Thanks Stephen started his career as a Construction Engineer with UDC, Urban Development Corporation, in Kingston, Jamaica, where he worked for over 11 years, spearheading the building of several hotels and schools on the island. He launched out as an entrepreneur and founded his own Success Gamma Construction Company, LTD which was in operation for many years in conjunction with running a hardware retail store and a Western Union Money Remittance Full-Service Branch in Kingston, Jamaica. One of his proudest personal projects is the building of the beautiful family home in Coopers Hill, St. Andrew, Jamaica. London, England. He legally and successfully migrated his family to the United States in 2001 to Florida and then in 2005 relocated to Grayson, GA, where the family presently resides. Throughout the years he was a devoted, loving and kind husband, father and grandfather, whose kindness and giving nature was felt by many. He was a jack of all trades, master of some! “ *Stephen will be fondly remembered for his love for Debra and family. He was a passionate man and did not miss an opportunity to share his love for the Lord or his viewpoints on any subject he cared about.*

Steve love for music and dancing was legendary, this he demonstrated during his last visit to Jamaica, as while we were eating at a Seafood Restaurant, he impromptu grabbed Debbie and started dancing away.

Sleep on our friend, you will be sadly missed. May the grace, peace and comfort of the Lord continue to cover the family, during this time of loss.
