“ *Sharon, FJ & Katrina: My family and I are so sorry for your loss. I know "Mother" had been ill for so long, but this was quite unexpected. My heart cries with you for the sadness that you'll be feeling now. My prayers are with you'll. God blesses us in many ways. He has blessed us with fantastic memories that will never be erased. Just as the word FAMILY (Father) (and) (Mother) (I) (Love) (You), this Family is loved and blessed by God our Savior.##imported-begin##Sharon LeBlanc##imported-end##*

“ Sharon
I am praying of you and your entire family. I know all to well how death affects a family and you as an individual. Put this in God's hands and he will handle it all for you. God handles all problems and always remember, he will never give you more than you can handle. At times, he pushes us to the limit but he will never push us over the edge. I can see your mother teaching all the young how to quilt and sew. She is in heaven with your grandparents and they are all smiling down on you and saying just how proud they are of you. God will bless you in many ways.
Love

“ Theda, The last few years have been hard for you. You were so full of life and enjoyed it to the fullest. May you rest in peace now, free of the limitations of your stroke and medical problems.

I remember all the good times of our younger days. We both had some good laughs and good time.
