“ *I am so glad I was able to know you and love you. Without you I never would have met the love of my life, without you I would never have had two of the most precious children ever! I pray that you are at peace and I am so sorry that I couldn't be with you, but I am very happy that Hal could!*

My heart is with the whole family at this moment and I am mourning with you. I wish I could do more than prayers for you.

My eternal love

“ *Herbie, Bob and I are saddened to hear of Thelma's death. Our hearts go out to you an your family. We had some good times when we were kids. Remember the time we had in S.C. and the old motel we were in. We ca' remember, did we move to another or stay in the dump? We always loved the two of you and thank God for putting you in our lives.
