“ *I don't have just one memory of Mama Theo, as I lovingly called her, I have many! I worked with her while they were living at the Bridge, I fell in love with them both immediately, but I knew she was a special lady. I had lost my own mother years before and Mrs Theo became my mother figure! We laughed and told everyone that they had adopted me! I could sit and talk to her and I could feel loved! I wish I had known her longer and I wish I had visited more often after they moved to Delmar. I will always remember how she loved hummingbirds and I will always remember her lovingly when I see one. Mama Theo, I love and miss you!!!!*

“ Had the honor of knowing Theo for 23+ years through her daughter Andrea. My fondest memory was when my own Mother, Theo and I went to see Neil Diamond in concert many years ago. Theo was a GREAT Neil Diamond fan, just like my Mom, and it was pretty cool to be rocking out to Sweet Carolina, Cracklin' Rosie, America, Forever in Blue Jeans, et al with these two special "seniors" my Mom and Theo. She will be watching over her family from Heaven....
