“ Gilda, I did not know your mother, but, having lost my mom many years ago, I know what you are going through. Just talk about her as much as you can and that will keep her with you forever. I am Glenda Hogan, Michelle Segars friend, and wanted to share my condolences. My thoughts are with you and your family.

“ *My condolences to Crystal, GG, Mark, and Denise (pumpkin). Sorry to hear of your mother's passing. Remember all the times I rode my bike to your house in Caribou and visited with your mother. I can still remember when your mother would come over and help my mother make "boudain" (blood sausage). And I remember the times I visited with your family in Lawrenceville while I was a student at Clemson University in the 70's. Fond memories. Galen Plourde, Greenville, SC.*

“ So many wonderful memories. I was fortunate to be a part of a family that loved unconditionally, lived life to its fullest. You have always held a very special place in my heart and I am blessed to call you my aunt. You welcomed me in when we moved to Georgia. You will be missed. I love you.
