“ *Judy, you and Buster are such a part of our lifetime memories. Memories, "pressed between the pages of our minds", as the Elvis song goes. When remembering, it is always Buster and Judy, Judy and Buster. What a team. What an example of love and devotion, from the very beginning. Also remembering that Love Never Dies. It continues on in the hearts and lives of those it has touched. Buster is asleep but his love is alive and well. I know that you know this better than anyone. God bless you Judy. God bless the great Buster and Judy family. You are greatly loved.*
