I often lie awake at night,
when the world is fast asleep, and
take a walk down memory lane,
with tears upon my cheeks.
Remembering you is easy,
I do it everyday,
but missing you is heartache
that never goes away.

My heart is full of memories
And you're with me everyday
You lived your life with meaning
And with a smile upon your face
A world that was full of happiness
Is now an empty place
People say that only time
Will heal a broken heart
But just like me and you, Dad
It has been here since
