Dear Bill was precious to us. He was so kind, had such a sweet smile and always concerned for others. He loved to play bingo, enjoyed sitting in the sun and visiting with friends on the front porch and doing exercise with us. We will miss him sitting in front of the glass door enjoying the sun and greeting us as we walked by with a smile and chuckle. Our prayers are with you and we thank you for sharing him with us. We have already missed him and will continue to. He was such a blessing.
