“ I used to work with Tom at Kentec, before I had my 2 sons and became a stay at home Mom. I only learned of his passing today and am so sorry that I missed paying my respects to him and his family in person at the visitation and funeral. I so enjoyed working with Tom during my years at Kentec as the Admin Asst to the Executive Management team! His office was right beside mine and, as many have posted on here, he did love to laugh and make others laugh! I hadn't seen Tom in years and then late last year, I happened to see him as we were both driving down Hwy 78 headed toward Loganville. I was able to pull up beside him at Rosebud and get his attention at the red light. I thank the Lord for that "chance" crossing of our paths again! :) We got to talk for a minute before the light turned green. That was the last time I got to see him. :(My heart is broken that he is gone. My prayers go out to Lesa, the girls (y'all were just teenagers when I worked with your Dad!), and all of his family and the friends that loved him. I know that he is missed and will continue to be.

“ Not even close to enough fingers and toes to count how much Tom helped over the years that we worked together. A very special person and a loss to all who knew him. My thoughts to his family.

“ *This giant of a man had a huge presence and an enormous heart. The memories I have of him and with him are precious gems. Riding on his shoulders, Cabbage Patch dolls he (and my aunt) managed to surprise his treasured nieces with during the riotous Cabbage Patch craze. His amazing ribs and fruit bowl creations. The man could cook! And oh, did he love his jokes! Corny, punny, a little racy, it really didn't matter. He just liked to laugh. He absolutely adored his girls and showed his love in practical ways; building tables, fixing things, designing family trees.*

Thank you Uncle Tom, for always making me feel like I was seen when I was around you. I love you and you're going to be so very missed.
