*My precious Momma and Daddy. Finally together forever. I will miss you so very much! Daddy, you are finally whole again. You have finally reunited with the love of your life. Thank you for showing all of us exactly what true love is and what "until death do us part" really means. I love you so much and thank God for the special time we have had together for the past 3 1/2 years. Now you go and join your precious wife, my Momma, and praise our Lord for ever more. Until I see you again. Rita*

“ *Pawpaw, you were truly one of a kind. A man who never lost hope and no matter the trials you faced you clung to your faith, knowing that God was gonna get you through. I have watch you my whole life fight through health problems. But you were my superman! You stayed strong! I love you PawPaw! My heart is so broken but I know that you wouldn't come back for the world. You are finally at peace and you are finally reunited with the love of your life. And I know that as we are mourning your leaving, you and grandma are worshipping the Father and "skipping along" streets of gold just like you told us you would! Say hey to my baby sister for me and tell Caleb Michael says hey! Keep a watch over us Pawpaw and fly high!!!*
