“ *My Uncle Tommy was a magnificent person. Words can not describe how he touched peoples lives. And boy did he ever have a way with words. He had a way when he talked to me to make me feel so much better. And to my cousins Lil Tommy n Teresa I wish I could take the pain you are feeling away. And Aunt Ethel you be strong and you will get through this hard time. No one can say anything to make you feel better now it will only take time and you will never be "better". You will only get numb as time passes. I love you all with all my heart and if you ever need to talk to me I am here.*

“ Our sincere sympathies and condolences to the entire Wolfe family in your time of loss and grieving. Tom was a true gentleman, and a great friend. It seemed that whenever I went to shop at Kroger, I would always run into him. That next trip to Kroger will surely be an emotional one. RIP my friend.##imported-begin##Mark and Bonnie Martino##imported-end##

“ We knew you a Father and Friend. Thomas it seems that we knew you for such a short while but then that is life. It can be said said that you lived yours to the fullest and now have moved on to the reward that awaits the few. Take care Brother and God speed.##imported-begin##Dudley and Gina Pearson##imported-end##

“ *My brother, my friend, my mentor, my advisor and the person I looked up to my entire life. I love you so much and I know that we will see each other again. I send my prayers to Ethel, Thomas, Theresa and know how much this hurts. Remember what the caterpillar thought was death the butterfly knew was just the beginning of life. I love him so much and for as long as I live will never get over losing him, every time we spoke he never forgot to tell me that he loved me and how proud he was of me and I will never know another human being like him in my lifetime. He loved you all so much and I am going to miss him so much until I see him again. Love Millie##imported-begin##Millie Pauline Kelley##imported-end##*
