“ Sweet Tim, I will forever remember your sweet smile and how you could light up a room. I will always cherish waiting for your emails and the happiness I felt when you sent one. From the time you were a little boy singing "little bunny foo foo" in the backseat with Christina, to you becoming a young man you always remained a beautiful soul. I wish you were still here with us so I could see you again, but i know you are in good company in Heaven. So until we meet again, I love you and miss you. Love, Aunt Joy
