“ Timmy, as I have always called him, was my best cousin growing up in Jacksonville, Florida. We had memories only he and I could share with each other and after growing up and moving away we met on a few different occasions and talked by phone.

I felt the love as I did as a child but it never meant so much to me as it does now.

Aunt Betty and Uncle Tim have always been the two most beautiful people I have ever known and my heart is so sad with the death of Timmy.

If I could only have talked to him more one time.

I will always love you and have the best memories of us.

Love,
