“ *My thoughts and prayers are with your families today. I watched the slide show and looked through the pictures that you've shared here. It brought to mind memories of times we spent with Tom (and Nancy) over the years at John and Vickie's house whether for holiday dinners, and afternoon on the back patio or celebrating Tom's birthday with some Apple Pie. My prayer is for God's comfort during this time of loss.*

“ Robert, David and John and families we want you to know that you have our love and sympathy. You all know how much we loved both your Dad and your Mom. We have always felt that they were more like our brother and sister instead of just friends and neighbors for all of these 56 years. We will always love and miss them. We have always felt like you boys were part ours so please feel that you can call on us any time. Hugs to each of you and your precious families.

“ Great pictures of a great man and his family. We loved your Dad and all of you, he will be sorely missed. Mom and Dad loved Tom and Nancy, they were best friends--thinking of all of you tonight.
