“ *Melba and Family. I was distressed to learn this morning about Tom's passing and want you all to know I and my family are keeping you close in caring thoughts and prayers. Over the last several years I have enjoyed my many contacts and deep heartfelt conversations with Tom both at the Fitness Center, Liberty First Bank and particularly in our volunteer service at FISH where he excelled in rendering a valuable service to this community. Though your hearts must hold deep sadness at the loss of this wonderful individual you and many friends all loved, may the memories of the life you shared remain always a part of you. I pray that God will comfort your heart, uplift your spirit and carry you through this time of sadneas to a place of peace. Death cannot sever what the CROSS unites so may that comfort you to know that Tom is at peace and in the loving arms of our Lord..*
