“ We had a wonderful visit with Tom and Jan last summer and talked and reminisced late into the night. I remember Tom as a proud Florida State alum and his knowledge of FSU memorabilia and of his other collections was impressive. Tom could always tell a funny story and that weekend we laughed often.
Tom loved his friends, his church family, cherished his many dogs he had over the years, and enjoyed his St George Island vacations. We were always so grateful that Tom had Jan in his life. He considered her his true soulmate and we knew she was a steady force in his life.
Although Tom had health issues in the past year he met his medical challenges with his usual good humor.
Jan, I have said many prayers and lit candles in remembrance and thanksgiving for Toms life and also for healing and God's peace for you. We love you. Dede and Don

“ Uncle Tom was always so much fun to be around. Uncle Tom always had a smile on his face and he was always cracking a joke. I remember him wearing these white FSU shorts and yelling at the TV during football games. I remember him loving all his dogs in the letters he would send to the house with pictures of a whole truck load of Labrador puppies. I especially remember yall’s wedding in that beautiful little spot in the woods. You all made a beautiful couple. He will be missed by many. My thoughts are with you Jan and I pray the Lord will give you His peace as you grieve.
Love,

“ *I taught Tom when he was in the 11th grade at Seminole High School. He was always a favorite and became more so when I got to know him better outside of school, as his oldest brother was dating my daughter. They both enjoyed my cooking and especially pecan pie! He was fun to be around and all of my family loved him. I am so sorry about his death and will keep you all in my prayers.*

May God bless you.
