“ *Dear Mackin Family,
My thoughts and prayers are with you during this time.
Tom is at peace, but all of those he left behind are going to miss him.
To this day every time I walk in the house with a bag of groceries I think of Tom's great wisdom (or a wise crack) in saying he just blessed the bags of groceries instead of having to say grace at every meal!
I wish you all peace and comfort surrounded by those who care and love " all ya all" dearly.
My heart to yours.

“ Grandpa, you were the most amazing man and mentor that I could ever hope for. You were always there for me with advice, whether it was the answer I was looking for or not. Your smile, kindness and hilarious one-liners touched literally thousands of people and I have never met anyone that lit up a room like you. I won the lottery of grandfathers and I'll always be appreciative of the time we spent together and of the things you taught me that I will pass down to my children. I love you!!!##imported-begin##Jeff Haynes##imported-end##

“ My memories of my dear father are full of joy and laughter. He was a great listener and leader. I will always remember how gentle those giant hands were. Those hands prayed over me many times and I would always feel a great sense of peace afterwards. He taught me about morals and integrity and how important it is to have faith. I will miss him immensely and always love him deeply.##imported-begin##Erin Fohrman##imported-end##
