“ *I worked with Tom at AT&T from 1997 to 2000. I have always thought so much of Tom. His sense of humor; he was just hilarious to work with and very sharp, smart, but, and more importantly, kind, thoughtful, honest. I will always remember a work trip to Las Vegas, when our co-worker, Natalie, made it known that she wanted to eat two dogs, no toppings or condiment,. Tom just was beside himself laughing over Natalie wanting "naked dogs." That's how I will always think of him, finding the humor and the positive. When I had my first child, in 2004, Tom, Glenn, and Natalie came to my house to see the baby. They brought lunch. It was so nice. I thankfully had a chance to talk with Tom a year or two back and very glad I did. I wish I'd known that his health was deteriorating this past year. I have worked with a lot of people in my life. Tom is most certainly one of the most beloved of them all. He holds a place in my heart. I am so sorry for your loss.*

“ To the family of Tom McCullers - It's the memory of the nicest, smartest, and kindest person that makes Tom so special...I worked with him many years ago, and have never forgotten what a dear and delightful person he was, with the best sense of humor - always calm and a real 'go to' person. So blessed to have known him and may God comfort you in your loss. Carol Jackson

“ Cotton and family,  
So sorry of hearing of Tom's passing. We had a lot of fun at Lucent. Tom was a very smart guy and worked very hard but we managed to have some fun times. I remember him buying you a Christmas present on the company credit card so you wouldn't know what it was .. we were in Denver. I told him he was going to get fired but of course he paid it back and he didn't get fired. We talked so many times about Monica .. he really had a hard time on what would have been her 16th birthday .. I know you are so sad but please try to find comfort that they are now together . . I thought a lot of Tom .. he had that sarcastic way of aggravating me but it was all in fun ..I pray God will give you and your family comfort and peace during your loss. Brenda Roper Poletti

*Cotton, I am so sorry about Tom. I will never forget the last time I was at your house a couple of months ago. I was talking to Tom and he said "there's nothing wrong with my hearing." His way of letting me know I was too loud! I loved it - so TOM! God bless you and all of the family.*
