“ Tommy was a genuinely good hearted man from my few interactions with him. He loved to talk about family and his hope for better health. Certainly he and Heather have fought the good fight. I pray for our Lord to give healing and understanding to the family. I will miss his smile and friendship.

“ My deepest condolences to Tommy's family and friends...I would not be who I am and where I am at without him in my life...I am so grateful to have known him and to have been a part of his life...He taught me so much about automobiles and I continue to make a living for me and my family that we are so grateful to have...He is one of the few people in my life that has had the greatest influence...I thank Tommy so much for the care and contributions to us all... Sincerely , Ray Diamond...
