“ *Tommy, your spirit shines bright. I have fond memories of your genuine kindness and friendship and will never forget the great times we all had hanging out at our house on First St. after school. You had long hair and that little red Ford Pinto!! I smile just thinking about it. Shine on my friend.*

“ Tommy this will be the 19th Sunday morning Hannah and I have woke up without you and I miss you more and more with each passing day. You will be forever loved and forever missed. My heart is a open bleeding wound and you are what is missing. Took away from me way to soon. I have learned that everyday is took for granted and I wish I had told you more often that I loved, had held you closer and tighter and showed you how much I appreciated you loving me back. I never had a doubt in my mind that you did't love me and I pray you knew that I loved you back with everything I have. There are many people that search for that kinda love and never find it so with that said we had something special and for that I am forever grateful!

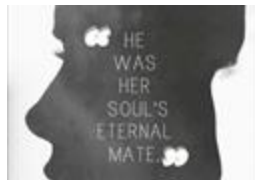

Love you forever,  
Wansley

Dear Wansley,

*I have thought of you many times over the last several months and decided that I would try to find your contact information via the internet. It was with great sadness that I found your husband's obituary. I am so very sorry for your loss. "Blessed are those who mourn, for they shall be comforted", Matthew 5:4.*

*I would like to talk with you and catch up, and visit you the next time I'm in Atlanta.*

*You have my deepest sympathy,*

“ Life is not measured by the number of breaths we take, but by the moments that take our breath away.

Wansley,  
Tommy loved you and Hannah more than live itself. He showed you ALL the time. When our lives are over...memories are all we have. Continue making great memories with Hannah! Tommy did just that!

I love you!!!##imported-begin##Denise Brown##imported-end##

“ I can't believe four years to the exact day Mom went to be with the Lord, you are gone. My heart is so broken. You were so much more than a brother to me. It is because of you I am who I am today as a husband and father. If Monica and Abbey are blessed by how I lead them it is because of your example. You taught me all of the lessons on being a man of character. I will forever be impacted by the time you invested in me. This world is worse off without my big brother in it. I learned to endure difficulty and hardship because of you. When childhood was painful and uncertainty gloomed, I could pick up the phone and you would always come to the rescue. When I went without, you provided. You didn't have to take on the role of a father to me, but you embraced it with joy. I love you so much Kebby, my life will never be the same without you. I hope to be atleast half the man you were. You are my hero. I love you and miss you so much, your little brother Billy.##imported-begin##Billy Coker##imported-end##
