“ Tony was so full of life and had such a big heart, especially for the kids that he coached. I can still see him coaching 3rd base for Monster Baseball. He loved those boys and they all loved him! He had a way of making everyone feel welcomed and making us all laugh! He made travel baseball fun! He had the boys covered on hot summer days with a dugout sprinkler system. On cold days he made sure they had plenty of heaters. And on big sports weekends, he made sure we had a TV to watch in between games. He had a positive impact on our lives and we will miss him so much! - Terri (Robinson) Jacobson and Family.
