“ *Tony was a very special man. I am so saddened to hear of his passing. He was a dear friend and full of character and a love for others.*

When my husband and his friends and grandchildren were fishing miles off shore I never worried knowing Capt. Tony would take good of them. They were in his confident hands.

He is now in Gods confident hands. I feel very blessed to know such a kind, caring and loving man and call him friend.

My thoughts and prayers and love are with his family.
