“ *I was saddened to see, just now, that Tony passed very recently. It was my privilege to do some work for him and his mom a few years ago. I'm unable to recall when it was that we first became acquainted, but Tony was such a good guy and a fine gentleman he kinda made me feel like I always knew him. And I'm a better man because of it. My sincerest condolences to Tony's family and friends.*

“ Tony was my first supervisor at Gwinnett County Public Schools, and was a great mentor and friend for many years. I will always be grateful for his guidance and teachings, and his wisdom he shared with me on our projects.

“ Sandra I just found out tonight that Tony had passed. I am so sorry for you loss and especially this time of year. I will be forever thankful for him and you recommending Doctor Moler for you knees. I have had them for 17 years now. I know what you are going thru. It is hard to loose our companions. I still miss Calvin so much. May God Bless you and keep you close during this time. Love Carolyn Ledford.
