“ April,

I am so sorry this senseless tragedy has happened in your family! I also apologize that Keith and I couldn't be there for you, Briana and your son. (This weekend was a very bad weekend as far as pain is concerned.)

This is a time that I can pay you (and Judy) back for all the meals and prayers that you have extended to my family and I. Please, please let me know what we can do for you and your kids!

All of you will definitely be in our prayers (and have been since this happened).##imported-begin##Keith and Angel Newman##imported-end##

“ Adrian & Brianna,

I have watched you guys grow throughout the years and I know what an important part Tony has been in your life. Never forget who he was, the person he was or the life he led. Honor him and live the life he wanted for you. Tony was turlly a good man at heart and he was one of the few people who actually lived it.

It was an honor to know him, laugh with him and cry on his shoulder when I needed too.
