“ *Toy will always hold a special place in my heart, she was married to my brother Billy and instantly became my friend. As a girl Toy lived across the pasture from my aunt and uncle. Toy was beautiful inside and out. I am praying for her family may God wrap his loving arms around you all and give you peace and comfort. You'll be missed my friend*

*“ I was very shocked and sad to hear of Miss Toy Collins passing. We were neighbors for many years before she moved away. She had such a beautiful spirit and was very easy to talk to. She always had a kind word, made me feel a lot better when my mother had fallen very ill with cancer. My youngest son and I would look out for her when her husband passed away, she was a very nice neighbor to have just knowing she was right across the way. My son and I send prayers out to the family during this time. Heaven has truly gotten one beautiful angel and she will be sorely missed.*

I communicated with Megan also. May God wrap his loving arms around you all and help you find peace in the days and months to come. Love you all. Classmate Of 65, Statesboro, Ga.*

“ *Toy's death is tragic news. She was my best friend in Birmingham when I knew only a few people and we had a great time together at work and outside of work. When she and Josh moved away, I missed them and we lost touch. Thanks to Toy, I learned how to drive a stick-shift car and have some warm memories of our time together. I never got to meet their two lovely daughters, but my husband Ray and I send our love and prayers to them and to their families. Kathie Biggers Martin*

“ Toy and Josh were Stonemont neighbors for many years. They were good friends, and always full of fun and smiles for everyone. In visiting Toy with friends a few years ago when she was in the hospital, she entertained US instead of our entertaining her. Toy faced the challenges of poor health during the last few years with great courage and a positive outlook. She filled the room with light whenever she entered it. Toy will be greatly missed. With love to Megan, Polly and their family members,

“ Toy was one of the kindest lady I have had the pleasure in knowing. We got to know each other very well during our trips to see Ella Mae Foster. She was always there to listen and give me a hug when I needed one. I will miss you and I thank you for all you have ever done for me, my kids and loving my brother like your son. May you rest in peace. Give Ella a kiss for me. Until we meet again. With love Angie Jarrard
