“ *There are no words that could possibly express how heartbroken I know Tracy's family and friends are. Tracy meant so very much to so many. I am so very thankful to God for blessing me with the absolute bestest friend in the world and I cherish the lifetime full of precious and wonderful memories that Tracy and I share. Donna and Ricky, y'all are my second parents and I love y'all so, so much. I am here for both of you, always. May God comfort and be with y'all and with Kenon and, especially, with Tracy's precious, beloved sons. I love you all.*
