“ I am so sorry for your loss, I worked with Travis at GMLX. I always enjoyed talking with him about our Funko Pops collection. He had so many more than I did but we both enjoyed sharing which ones we had and which ones we wanted. He was a great coworker, man and I know he will be missed tremendously.

“ Travis was the kindest & sweetest child as well as an adult. Memories of him growing up & family get together are cherished in my thoughts. He and my daughter (his cousin) being the same age, they would play together a lot at holidays. He shared his Dad’s sense of humor, which I loved! Travis holds a special place in my heart & I am so sad he left us at such a young age, but I “know” I will see him again. He is reunited with his Mom & Dad and all the loved ones and friends that went on before him.

Thank you Karen for being the wife that cherished him and advocated for him so diligently, all throughout his illness. He loved you with all of his heart, that was evident in his life. You also hold a special place in my heart & I love you.

I will continue to pray for you and Fiona & Grant, during this difficult time.

Love,
Aunt Sharon
