“ We kenw Charles in his college age. He was enthusiastic and willing to help friends. Later, he dedicated his life to the Tiandao Buddhist Temple and beca me more self-cultivating and persuading others to be kindness. We are so sad to hear of his passing. Hope his return to Litian will be peaceful and soleman. Wish his family will recover as soon as possible in grief.

“ *When we were young and careless about 13 or 14 years of age... Life at Copacabana was fun with lots of baseball, cycling, swimming and later we upgraded to tennis. Charles had the flare for sports and violin. I always believed that he could ever become a virtuoso, a solo violinist. I will listen to Vivaldi's Four Seasons and thinking of my old friend.*
