“ We loved and will miss Ursula, as a neighbor and friend. She was a stalwart opponent to cancer, always triumphing and getting back to the golf course, her family, friends, pets, life. Now we are so sad. We knew that cancer was winning when she said she did not think she would be getting back on the golf course. Her inspiration and strength in the face of suffering cannot be surpassed. Our prayers for comfort and peace and heartfelt sympathy to your family during these trying days. Kathy and David Mascaro.
