“ Many memories of Van while growing up on Fortingale in Chamblee. Sincere condolences to Van's family. I remember playing many times in the dirt lot next to the Hatchat's home on the street. Somewhere along the way, Van rode horses, maybe at Greenway's barn, but he had a horse come down on his big toe, and I remember him walking around in flip flops for a while. My older sister, Judy, counted Van as a close friend. He drove a Dodge Road Runner for a while and so he and Judy talked cars frequently. Prayers for peace and comfort for all Van's many loved ones.

*Van was a great friend from high school, I have such warm memories of fishing, tennis, Daytona, shooting, and just hanging out. He always had my back and one could not ask for a braver, loyal friend. I will always remember our times together like brothers, and he is greatly missed. I pray for peace and comfort for the family.
