“ To The Lord Family

My heartfelt sympathy for your loss. I'm a cousin and thinking about him reminds

me of times when we were kids. His Dad and my Mom, Ouida (Sue), was siblings and for a time we lived across the "creek" from each other in Buford and we would get together and play. I remember It was so much fun playing outside in that 'red dirt' . There was always running and chasing with him and his sisters and filling buckets with that red dirt.

Although as we grew up and families go their separate ways, I can see from the beautiful video that he had a wonderful life and love of family. May all those precious memories of him become your family treasure to share and enjoy for years to come.

*With Deepest Sympathy

So sorry for your loss. Mike spoke often and fondly of Jim. I believe he and Jim started working at Walton at the same time. He will be missed.
