“ *Deborah, Cindy and Suzanne, we just learned that Verna passed recently and want to convey our condolences on your tremendous loss. She was a unique lady who made a huge impact on us during our growing up years. After reading Cindy's comment about her keeping the grandkids, couldn't help but think she kind of helped raise me and Debbie too, we were at your house so much! We will never forget the way she could tell a story, her many kindnesses to us, and of course her laughter and humor! Many times Deb & I would be sitting in the swing on our front porch, hear Verna laughing from across the lake - and just burst into laughter ourselves! Her laughter and joy were always contagious.*

*We were blessed to have known her and want you to know you're in our hearts and prayers. We lost our Momma two years ago and know how hard that is. May God bless you and your families and cover you all with His comfort.*

*Love,  
DD and Debbie Gibson*

“ I have fond memories from my childhood of Verna and her husband Doug. They belonged to a CB club my parents were a part of. Fond memories of camping and visiting their home where the adults played cards. So sorry for your loss. Praying for the family. Martha Fountain Atha

“ *Momma you are the best. You were always at home when we came home from school. You kept your Grandchildren because you didn't want them in daycare. You're grandbabies will always remember the switch bouquet. I love you so much Momma* ❤️❤️❤️❤️❤️❤️.
