“ I am so sorry for your loss. The loss of a loved one is so heartbreaking, many wonder, is this Gods purpose?, that we spend a few decades growing up and gaining some wisdom and experience, only to spend the next few decades breaking down and descending into illness and death? Ecclesiastes 3:11 tells us tha Jehovah God created humans with the desire to live forever. "Time indefinite he has put into their hearts" That leads to this question, Is God cruel giving us a desire, and then making it impossible to fulfill it? No indeed for God is love. (1John 4:8). He will use the resurrection to make everlasting life possible for people who have died. Thanks for the resurrection hope we have a secure future. I hope that this letter and the scriptures within will give you and your family some comfort and assured hope. If you have any questions, please feel free to contact the local Kingdom hall of Jehovah's Witnesses.##imported-begin##Fe##imported-end##
