“ *Sadly we did not know Vic but just a few short months. A bunch of us went out to dinner together several times. I loved Vic's company from the start and was looking forward to a long friendship. He was friendly, knowledgeable and engaging with a great sense of humor. Our dinners together went by much too quickly and I know he will be missed by a lot of people. We are glad for our time together with Vic.*

“ *What a great friend - Vic was always cheerful and happy when we called to say hello. We enjoyed his "get 'er done" spirit. He would go anywhere and do anything - Vic was a joy to be around. I can hear him now as he greets our dogs Jack and Ambur and hugs us hello. We are so thankful Vic has been a part of our lives (smile)*
