“ *To Vicki's family: Our deepest and sincere condolences. This has really come as a huge shock and we have yet to accept the reality of it.  
Miss. Vicki was a unique lady. I valued her as a friend, former co-worker and admired her a true professional. Needless to say, I will miss her quaint sense of humor shared during the special lunch times with Carolyn Spillman, Mrs. Albee (her mother) and me.

“ Vickie will be missed by all who knew her. I have many memories of our childhood but the thing I keep thinking about is how she was so ready to help me through Algebra in college. I would never have made an "A" without her help. She simplified everything for me and was so glad to do it. I was able to tell her how much I appreciated it, but I wish I could tell her more.

*I know we will be together again in heaven but it would be nice to meet at "Cracker Barrel" just one more time.*

“ Vickie was a true friend, she made you feel appreciated and loved, she made me feel like I was "somebody" as my Daddy would say. She was a brilliant beautiful person through and through. She walked the walk and talked the talk. You did not find Vickie anywhere she was not supposed to be. Vickie is the finest most sincere Christian lady I ever knew. She knew the Bible and lived its teaching each day of her life. She was interested in you and how you were, and that included not only your physical state was but how your life with God was. She wanted you to be okay, happy, at peace with yourself, and she wanted that for everybody. Vickie was a wonderful teacher and she taught by her example. You are very blessed if you meet one Vickie Albee in your life time. A wonderful friend, mentor, teacher, and confidant. One of a kind, loyal and honest to the very end. I will miss Vickie, but I have to let her go and be where she has prepared to go all her life. Be with God, Vickie, and ask Him all the questions we always want answers for, but wait for me, for I will be there soon. I love you, my dear sweet friend.

“ Our condolences and prayers go out to the family. Our friendship with Vickie was in the Examples choir at Lawrenceville Church of God. Also, we went to her class on Wednesday night for a beautiful bible study. Vickie was a child of the King. She loved him and served him. She was a great teacher, had a beautiful voice, and her knowledge of the Bible was outstanding. We share in your sorrow and memories of Vickie will remain in our hearts.

Love,

“ *Heaven has become so much brighter, now that Vickie is there. We will certainly miss her and all the love and caring she poured out on us. We learned so much from her teaching and we are so thankful to have her CD's to continue learning. She is rejoicing today with Jesus and that makes us happy for her, even though our hearts are heavy with sadness. May the Holy Spirit surround you, Carol, and your entire family with His love and comfort. We are praying for you all and sending you all our love,*
