“ *Vickie was a pleasure to know. Our ongoing joke was something she said to me. She said if they want to believe I'm dumb, ok I'll play the part for them. Every time someone would say something crazy to her. She would play the part and then we would just laugh. She will be missed. I look forward to seeing her in the resurrection.*

“ *In our high school days, Vickie was loved by many for her wonderful sense of humor and ability to make a normal day turn into an adventure. Everytime I talked to her or saw her over the years, it has always been as if no time had passed at all. Vickie has always been a BFF to me since the day we met, and her sister has too. I will miss Vickie dearly and pray for comfort and healing of all her family and friends.*
