“ Dear Debbi, Rebecca, Michael, Steve and Larson Family, I still have not comprehended that Vickie has passed. She was always full of life and with a smile on her face. Debbi and all, I know how much all of you will miss her, she lives a part of her in all of you because you would not be the wonderful people you are without having had her in your life. You are all a tribute to her goodness, kindness and generous spirit! Please know that I love you and am always here for you. I write this with a heavy heart as we will all be there to say farewell to a beautiful lady. May her memory be eternal! Love, Florence###imported-begin###Florence Lytle###imported-end###

“ *Vickie was one of the sweetest and most giving persons I have ever known. I have a photo that she took of my deceased show horse in my office. When I look at it, I think of her and her generosity in taking it and giving it to me. I will truly miss her smiling face.*###imported-begin###Shirley Starr###imported-end##

“ I was so sadden to hear of Vickie's passing. I enjoyed her so. Although she will be missed by family and friends, she can now be with Ted again. My heart also extends to the Larson family for more loss than a family should have in a such a short amount of time.
