“ *I have a lot of fond memories growing up with Vickii. In the early years mischief came easy for both of us and we were often known as double trouble. She was always fun loving, free spirited and a hoot to be with. My thoughts and prayers are with her children and grandchildren.*

“ *Prayers to all the family. One of my favorite memories is Vickii, Libby and me going back and forth to beauty school. My Dad got me a black vw, definitely not new, and I drove us to school each day. Then when we got home we would go to Wilmington to sit at the Melody and watch everyone drive by. We had a lot of good times and she will be missed.*

“ I grew up in Sabina just down the street from Vickii. We both lived on Florence Avenue there in town. I am so sorry to hear of her passing. I have reached out to her in recent years and discussed our early years back in Sabina. Again, I extend my deepest sympathy to her family. Warmest regards.
