“ *I only worked with/for Vince since July at Southern Plantation but he had a special place in my heart.*

“ *Vince will be missed. He touched the lives of so many. He always had a werthers candy and a smile for everyone he met. When I would pick him up Saturday mornings to go shopping or to the flea market, he would climb in the truck with an extra drink for me. We spent many an afternoon floating on lake Nottley talking and having a " cocktail " as he called it. I still chuckle about those long notarizedchoking 2miles an hour for hours and not going very far. Those times are missed as are you. I miss you buddy.*
