“ I always remember Granny Pig tending to her flowers & plants. There was nothing that she couldn't get to grow. Banana trees, ferns, rose bushes, cactus these were some of her favorites I think because you seen a lot of these when you went Granny Pigs house. I know that she will be missed. But today I will say see you later and not goodbye, because I will see you again. I know you, daddy, & Chad have probably already been fishing. Love you Granny Pig.
